

GENERAL INFORMATION:

Application methods:

Foliar treatment: Apply after scouting. Ensure even coverage throughout crop canopy. Apply enough water to cover the crop. Repeat as necessary

DIRECTIONS FOR USE:

Crops	Target Pests	Rate	Application Timing
Tobacco TRB Certificate No: 14-17-D-70 (Always consult Zimbabwe TRB Handbook for detailed recommendations)	Aphids, Leafminers, Budworm	400-800 ml/ 1000 Lt of water	Full cover spray to both surfaces of the leaf at first signs of pest infestation. Ensure even coverage of the foliage.
Ornamentals	Aphids, Spidermites, Thrips, Whiteflies	400-800 ml/ 1000 Lt of water	Full cover spray to both surfaces of the leaf at first signs of pest infestation. Ensure even coverage of the foliage.
Tomatoes, Brassicas	Aphids, Spidermites, Thrips, Whiteflies	600-800 ml/ 1000 Lt of water	Full cover spray to both surfaces of the leaf at first signs of pest infestation. Ensure even coverage of the foliage.
Passion fruit, Avocados	Aphids, Spidermites, Thrips, Whiteflies, Caterpillars, False codling moth	400-800 ml/ 1000 Lt of water	Full cover spray to both surfaces of the leaf at first signs of pest infestation. Ensure even coverage of the foliage.

Special Note: Levo is a plant extract and may contain additional ingredients derived from the plant and from the products used during the plant growth cycle. The user should pre-check the product suitability for its purposes before use.

Important Notes:

- Avoid mixing with alkaline materials.
- Use higher rate for heavy infestation.
- Sufficient pressure and high volume spray should be applied to ensure thorough coverage of all plant surfaces.
- Better pest control is achieved when applications are made in the early morning or in the evening, when foliage remains moist.

BOTANICAL INSECTICIDE

Active Ingredient:
25% Sophora Flavescens
Plant Extract

**For the effective control of pests such as aphids,
jassids, bollworms, stainers and spidermites in
vegetables, tobacco, cotton and ornamentals.**

**READ THE ENTIRE LABEL AND INSERTS PRIOR TO USE
KEEP LOCKED UP & OUT OF REACH OF CHILDREN**

WARNING

Levo SL™ is a bio-insecticide with antifeeding and repelling activity. May act as a crop growth stimulant.

HAZARDS / PRECAUTIONS:

Storage: Product should be stored in compliance with local regulations. Store in a cool dry place, in original container, away from excessive heat and open flame. Do not store near food, animal feeding stuffs, fertilizers or seeds.

Disposal: Do not dispose of empty containers or product into waterways or open field. Puncture and bury or burn empty containers after use. Never re-use empty containers for any other purpose. Spills should be diluted with water and soil and buried deep away from water sources.

Wildlife and Environmental Protection: Avoid applying near bee hives. This product may be toxic to fish. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water by cleaning of equipment or disposal of equipment in waste waters.

First Aid Measures:

General advice: If poisoning occurs, contact a doctor or Poisons Information Center.

Ingestion: If swallowed, induce vomiting. Never give anything by mouth to an unconscious person.

Inhalation: If inhaled, move to fresh air. If not breathing, give artificial respiration, preferably mouth to mouth. If breathing is difficult, give oxygen and look for medical attention.

Skin contact: Flush skin with plenty of clean water.

Eye contact: In case of contact, immediately flush eyes with plenty of water for at least 15 minutes. Get medical attention.

Compatibility: The supplier makes no recommendation in regard to the compatibility of this product with any other products. No warranty is provided by the supplier for mixtures of this product with any other products. When mixing this product with other products the buyer/user takes full responsibility and risk.

Warranty: Seller's guarantee is limited to the term's set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

PLEASE, READ ENTIRE LABEL AND INSERT PRIOR TO USE.
